

METALGATE

Death/Grind Massacre Tour 2011 a.k.a. Czech Easter Devastation

During this year's Easter time, you can look forward to not only the traditional Easter eggs, carols and other regional customs, but also to a complete and utter acoustic trashing. One of the Czech death metal icons, TORTHARRY from Hronov, is about to embark on a "Death/Grind Massacre Tour 2011" to promote their current album "Beneath", which was released by MetalGate in November 2010.

And they will certainly not tour alone! **For the entire duration of this enterprise, Tortharry will be joined by the grind/death artillery DISFIGURED CORPSE from Ostrava, the Prague death-hardcore legion POPPY SEED GRINDER and by the grind-black madness ISACAARUM from České Budějovice. All this makes one hell of a loaded lineup and promises a very vivid musical experience.**

The whole tour will commence on Friday 15.4.2011 in Pardubice in RC Ponorka club. The following day, that is, **Saturday 16.4.2011**, the bands will move to **Karviná to MP Hard Cafe**. On Good Friday, **22.4.2011**, the horde will besiege **the capital city of Prague, specifically RC Kain** and on the eve of Easter Sunday, that is, on **Saturday 23.4.2011**, the tour will conclude **in České Budějovice in Marty's Club**. Four tour stops in total, filled with extreme metal in its various forms.

The entrance fee to individual shows will be between 100 and 120 CZK. The tickets will be available on site at the day of the show. More information will be posted on MetalGate website, or on the Bandzone and Facebook profiles of each band involved.

The tour is powered by MetalGate, Crystal Productions, Six Six Six Graphic, Fobia Zine, Underground & Gothic Shop Nosferatu a webzine Metal Forever & Metal Man.

Happy Easter!
