Reaping Death Tour Europa 2010, Czech Republic

MetalGate invites you all to an unique black metal evening filled with Baphomets, inversed crosses and Satanic litanies, which will take place on Saturday Oct. 23rd 2010 in Matrix Club in Prague Žižkov.

After three years break, one of the icons of Swedish black metal, **Watain**, sets on tour once **again** to fully and intensely present its last album “Lawless Darkness”. As stated in the official Watain press statement: “Finally the paths are prepared and the pacts sealed for the march of Reaping Death...” This unholy crusade across Europe will assault the Czech lands as well. The band furthermore assures everyone “that **Watain on this tour shall be a Watain unlike anything they have seen in the past, in terms of ruthlessness and fanaticism!**“

And they will not come alone. For this tour, **Watain is joined by blackened trash/death metal band Deströyer 666**, originally from Australia, currently residing in Netherlands. This combination forms a “lethal pack indeed”, to quote Watain again, which will be supported by one other band, the **French black metal band Otargos**.

On the Czech tour stop, these three emissaries of Satan shall meet two special guests, representatives of Czech infernal legions, bands Root and Zlo.

This feast of black metal **begins at 18:00. Tickets are available either for 330 CZK on site, or for 270 CZK at presale within the Ticketstream presale network.**
