## **METALGATE PROUDLY PRESENTS: MILOŠ MEIER – DRUMMING SYNDROME DVD**

**Cold professional? Quite the contrary, Miloš Meier is a fiery one and full of energy! On the very best Czech drummers at long lasts brings you his loaded DVD full of live drumbeats, which is not only a record of his tracks and acclaimed drumming workshops comprised in the “Drumming Syndrome” project, with which Miloš tours the Czech Republic, but also contains a number of bonuses for the fans of Miloš as well as of bands, in which he played or is playing. Beside videos from Drumming Syndrome shows and new tracks of this project, recorded live in the Palace Akropolis, you can look forward to an interview, insider’s look, archive materials and many other glimpses into an art of a man who sets the tone for Czech music!**

Born in Hronov, Miloš Meier studied at the State Conservatory in Prague and was literally breathing for drumming. His great zeal for music contributed to his recess, due to health reasons which nonetheless put Miloš out of rhythm only temporarily. Afterwards Miloš returned with a vengeance, becoming involved in a plethora of projects across numerous music genres, thanks to which any decent music fan should know him, from the death metal icon Tortharry to participating in the band of the first Czech Superstar winner Aneta Langerová. The local music aficionados will surely compliment his involvement in B.S.P. band or in Leaders! of Kamil Střihavka, as well as participation in Michal Pavlíček trio with which Miloš played the anniversary show in Sazka Arena, whose DVD gained platinum standing and won Anděl awards in the DVD of 2006 category. Miloš is further involved in the NOID band, headed by none other than Václav Noid Bárta, in the psy-core predators pack DYMYTRY, or in the newly formed act STROY. He regularly also participates in acclaimed drumming festivals and workshops not only at home, but also abroad, and from those it was only a step to his own show, which we bring you on this very DVD!

**“Drumming Syndrome” DVD of Miloš Meier is released in digipack format and available on [www.metagate.cz](http://www.metagate.cz) or in selected music stores across Czech Republic, whose list you can find on our website as well.**
