

METALGATE massacre II

MetalGate Massacre vol. 2 – time to choose the contestants

On Sunday, December 12, 2010, the registration to the second installment of metal bands contest MetalGate Massacre came to a close. **78 submissions** attest to a great interest between the bands. All registered bands must now **send all materials according to the contest rules till December 15, 2010**, thus bringing the registration phase to a definitive conclusion.

Then, it is up to the **panel of jurors**, composed of **Michal Husák** (music journalist and anchor of the Madhouse magazine on TV Óčko), **Filip Robovski** (bass guitarist of Kryptor), **Standa Rubáš** (anchor of Hard n' Heavy magazine on Radio Beat), **David Třeška** (music journalist) and **Jiří Urban** (guitarist of Arakain), **to pick 16 bands that will clash in the basic rounds.**

The names of these lucky 16 shall be announced on the MetalGate Massacre website January 10, 2011.

The first basic round shall take place on Thursday, January 27, 2011 in the Prague based Matrix club. Beside four competing bands, the evening shall also have a **special guest**, the winner of the first installment of MetalGate Massacre, the psy-core act **DYMYTRY** from Prague.

Nothing however is lost for those bands that do not pass the jury selection. The contest also employs the so-called **Wild Card** that means **advancement straight into the semifinals for two bands that receive the highest number of votes in the online poll**, which was **launched November 22, 2010**, and so far **over 1000 fans** cast their vote in support of their favorite bands. The cyberspace thus witnesses fierce battle for the leading positions. **The Wild Card poll ends March 17, 2011.**
