

# METALGATE massacre II

## **MetalGate Massacre vol.II – we are live, second round incoming**

**On Thursday, January 27, 2011**, the Prague-based **Matrix club** witnessed the live start of the second installment of metal bands contest **MetalGate Massacre**. During the **first basic round**, the bands **Gibbet**, **Swordfish**, **Neurotic Machinery** and **Area Core** clashed for the **advancement into the semifinals**. The Prague psy-core act **Dymytry**, winner of the first installment of MetalGate Massacre appeared as the **special guest** of the evening.

It was a well-done kick off. Almost **300 fans** took care of a great vibe on site and all the competing bands delivered stunning performances. And the result?

**The first to advance into the semifinals** is the crossover/post-hardcore act **Area Core** from Česká Lípa that took the lead with **43 votes**. Death metalhead **Neurotic Machinery** from Western Bohemia and the metal-hardcore band **Gibbet** from Prague **share the second place** with **24 votes**. And the **third place** went to death-thrash act **Swordfish** from Brno with **23 votes**.

In case you could not attend the first basic round, as well as missed the online stream, we shall soon upload a **complete video from the round** to the **MetalGate Massacre website**.

Now, the **second basic round** is ahead, taking place again in the **Matrix club** on **Thursday, February 10, 2011**. The second semifinal position is contested by **BAD VICTIM**, **GREYMON**, **WARHAWK** and **FLOWERWHILE**. The **special guest** slot goes to the death-metalcore warmachine **F.O.B.** from Tábor, which is currently preparing a **new album** that shall be **released by MetalGate Records in April 2011**.

**The second round shall commence at 19:00. The gates of Matrix shall open at 18:00. Entrance is free.** The whole commotion shall once again be **streamed live on [www.jamstage.cz/jamstage-tv](http://www.jamstage.cz/jamstage-tv)**.

See you there!
