

METALGATE massacre II

MetalGate Massacre vol.II – the basic leg almost over

Thursday 24.2.2011 in Prague Matrix club belonged once again to the second installment of metal bands contest MetalGate Massacre, specifically, to its **third basic round**. **The quartet of contestants**, competing for the votes of fans and thereby for the advancement into the semifinal leg, constituted this time de facto a monothematic block of metalcore bands from Prague and its vicinity, composed of **Burned Inside, xXXx, Calidad and Suffocate With Your Vomit**. The only style-wise different act present was the **special guest** in the form of the **black-doom band Tisíc let od ráje from Brno**.

After a somewhat subtle second round, Matrix club was this time once again **decently filled** with fans, and all bands were thus presented with the right vibe for their performances. The outcome was thus:

By gaining 89 votes from the fans, the death-metalcore band **Suffocate With Your Vomit** from Černošice near Prague **became the winner and therefore the third semifinalist**. **The second place** was taken by Prague metalcore act **xXXx with 78 votes**. **With 40 votes**, Prague metalcore-trash band **Calidad gained the third place** and the final **fourth place** was occupied by crossover-metalcore act **Burned Inside** which received **16 votes**.

A complete video record of the gig will once again be posted to MetalGate Massacre website in the near future.

All that remains from the basic leg of the contest is the final **fourth basic round**, which will take place **on Thursday 10.3.2011**, same place as usual, in the **Matrix club**. **The advancement into the semifinals will be fought for this time by D.A.D., DISCORDANT, SHADOW AREA and INTERITUS**. The **special guest** to embellish the round will be the Czech death metal icon **TORTHARRY** from Hronov.

We begin as usual at 19:00. The venue will open at 18:00. Once again the live transmission of the whole commotion will be in operation via the online streaming at www.jamstage.cz/jamstage-tv.

Subsequently, things will get tough so to speak, as the second installment of metal bands contest MetalGate Massacre will enter into its semifinal leg.

Come to support your favorites! We are once again looking forward to see you!
