MetalGate Massacre vol.3: Warm-Up Party

The launch of online registration is successfully behind us, which means that the **third installment of metal bands contest MetalGate Massacre has officially begun!** If you bear in mind the overview of milestones of the registration part, you know that **the next item** on the list is **MetalGate Massacre vol.3 Warm-Up Party**, which will take place **Saturday 22.10.2011** in Prague **Matrix club**.

The purpose of this gig is on one hand to **celebrate the beginning of the next act** of the contest and thus bring you to the right Massacre mood, **and** on the other hand **to introduce** to those, who may meet MetalGate Massacre for the first time, **the successful bands from the two previous installments**.

The Warm-Up Party line-up will therefore consist of **both winners of previous installments**, in other words, of the Prague psy-core predators **DYMYTRY** and of the death-metalcore band **SUFFOCATE WITH YOUR FAME** from Černošice near Prague, accompanied by **two other finalists**, the hard rock metal act **THE PANT** from Břidličná in Moravia and the Prague based metalcore band **xxx**.

Apart from the shows as such, the MetalGate Massacre vol.3 Warm-Up Party has **one more important dimension**, that is, **bands** interested in competing this time **can register in person on site, see the venue for themselves and find out about the contest production**.

Those bands that will register on site have subsequently free entrance to the Warm-Up Party as such!

We begin at 19:00, doors 18:30. Entrance fee is 100 CZK at the box office on site.

For the first 50 paying spectators we prepared a small benefit, that is, a coupon for two free beers!

Looking forward to see you there!
