

MetalGate Massacre vol.4: half-time of the basic leg

The fourth installment of metal bands contest **MetalGate Massacre** continued **Thursday, January 24, 2013**, with its **second basic round**, bringing this time **a trinity of competing bands**, composed of metal band **Like Fool** from Hodonín, thrash-hardcore formation **Seppuka** from Český Těšín and Prague based hardcore-pop act **Attack The Hero**, to battle for votes as well as for the advancement into the semifinal leg. Indeed, only a trinity, since unfortunately, the fourth band, doom-death metal act No Belief from České Budějovice, was unable to perform due to a work-related emergency of its drummer, thus lacking a complete line-up.

Around 150 fans showed up this time, and of those, 140 cast their vote in support of their favorite band.

With what result you ask? **The winner and thus the second to advance into semifinals** was **Attack The Hero**, supported by **89 fans**. **The second place** was gained by **Seppuka** with **43 votes** and the **bronze position** went to **Like Fool** with **8 votes**.

We would once again like to remind that **nothing however is lost for those bands that did not win**. The **SMS voting** for the **contest Wild Card is still running**, and through it, **two bands** shall ultimately **gain entry straight to the semifinal rounds**. Complete information about the Wild Card, including ongoing results and how to vote instructions, is available on the **official MetalGate Massacre website**.

The next item on the menu is the **third basic round**, which shall take place on **Thursday, February 7, 2013**, again in Prague based **Matrix club**. This particular battle shall pit **ANIME TORMENT, SUNSET TRAIL, NO MISERY LEFT** and **SKELPMASTER** against each other.

We begin at 20:00. Doors at 19:00. Free entrance as usual!

Come to support your favorites. See you there!
