

### **MetalGate Massacre vol.4: conclusion of the basic leg in sight**

On **Thursday, February 7, 2013**, the Prague based **Matrix club** witnessed the **third battle** of the basic leg of the fourth installment of metal bands contest **MetalGate Massacre**. This time we had a full **quartet of competing bands**, composed of death metalheads **Anime Torment** from Litoměřice, metalcore-metal act **Sunset Trail** from Olomouc, Prague based scream/post-rock project **No Misery Left** (which had its live premier that evening) and of the death-thrash metal band **Sklepmaster** from Opava.

Compared to the round before, the attendance increased once again, to which **162 voting fans** attest!

And how did they decide? **Anime Torment** became **the winner and the third semifinalist** by gaining the support of **56 votes**. **Sunset Trail** gained the **second place** with **38 votes**. **Sklepmaster** and **No Misery Left** ended on a **joint third place**, with each band gaining **34 votes**.

We would once again like to remind that **nothing however is lost for those bands that did not win**. The **SMS voting** for the contest **Wild Card** is still running, and through it, **two bands** shall ultimately **gain entry straight to the semifinal rounds**. **The voting ends February 21, 2013**, so there is not that much time left to get on the top of the charts. Complete information about the Wild Card, including ongoing results and how to vote instructions, is available on the **official MetalGate Massacre website** . .

The fourth basic round, which concludes the basic leg is now before us. It will take place on Thursday, February 21, 2013, again in Prague based Matrix club. This time, **SPREADING DREAD, INTO DUST, AGASSIZ** and **LOCO LOCO** shall battle over the last vacant spot in the semifinals.

**We begin at 20:00. Doors at 19:00. Free entrance as usual!**

**Come to support your favorites. See you there!**
