

MetalGate Massacre vol.4: Grand Finale at the gates!

On Saturday, April 6, 2013, the Prague based **Matrix club** hosted **the second semifinal** of the fourth installment of metal bands contest **MetalGate Massacre**. As usual, **four competing bands**, those being the metal-hardcore act **Meresiew** from Tábor, appearing as the second contest Wild Card, two Prague bands **Attack The Hero** (hardcore-indie) and **Into Dust** (hardcore) and the metalcore-nu metal band **Sunset Trail** from Olomouc, took to the stage to battle among themselves. Music-wise, this semifinal was thus presided over by modern metal styles.

Said bands gathered **over 200 fans** as support crowd, who then, with the power to vote, picked the first of the two finalists.

The second one was selected once again by a **committee**, composed of **Bruno Kovařík** (vocalist and basist of the Czech death metal icon Hypnos), **Dan Pavlík** (vocalist and guitarist of yet another of the Czech iconic death metal bands, Tortharry), **Jan Martínek** (editor of the online magazine Rockshock), **Filip Robovski** (bassist of the Czech thrash metal legend Kryptor) and, to add a woman's touch to the decision making process, **Jana Veselá** (metal journalist from the Orbis Metallum forum).

Two of the aforementioned members, that is, **Filip Robovski** and **Jan Martínek**, also **christened** that evening the **current release of Kryptor "Best Of Fuck Off!!!"**, alongside the rest of the band.

After that, it was time for the results. The **spectator vote** brought the following verdict: with **97 votes**, **Attack The Hero** took **the first place**, **Into Dust** **the second** with **79 votes**, **Sunset Trail** **the third** with **33 votes** and **Meresiew** **the fourth** one with **seven votes**.

The parallel **committee vote** placed **Sunset Trail** as **the first** with **seven votes**, **Meresiew** and **Into Dust** as **second** with **4 votes each** and **Attack The Hero** as **third** with **zero votes**.

ATTACK THE HERO and **SUNSET TRAIL** thus **advanced into final**, joining **SPREADING DREAD** and **NOBODY KNOWS**, who advanced from the first semifinal.

These four bands **shall fight for the ultimate victory in the last battle of the Grand Finale** of the fourth installment of MetalGate Massacre, which will take place on **Saturday, April 20, 2013**, again in the **Matrix club**.

Beside the competing bands, the final will have also a **special guest – HYPNOS!**

KEEP IN MIND, this time we begin **ALREADY** at **19:30**, with doors at **18:30**. The entrance is **free as usual!**
