## **MetalGate Massacre vol.6 – selection complete!**

The moment has come! **The registration phase of the sixth installment** of bands playing hard music contest **MetalGate Massacre** is definitely **over** and thus it is time **to announce the 12 bands that advanced to the basic leg.**

If you follow MetalGate Massacre, then you are aware that given the strict contest rules, the **registration was this year completed by only 16 bands**, whereby **we had to alter the contest format so that it makes sense**. Thereby **12 bands move to the live rounds instead of the usual 16**. For more info **about the changes in the current installment**, visit the **official contest website**.

The enrolled bands were as usual evaluated by a **panel of jurors**, lead by **Derrick Green**, frontman of the Brazilian icon Sepultura, and further comprised of music journalists **Michal Husák** and **Ladislav Oliva** and of Czech metal musicians, namely **Vlasa**, guitarist of Hypnos and Six Degrees Of Separation, and **Mára**, frontman of F.O.B.

According to their verdict, **the following bands shall clash in the basic rounds:**

**AGASSIZ, DENOI, DRUNK WITH PAIN, GUN ALCHEMY, LATEXJESUS, MELTDOWN, NOTION DEEP, ONLY FOR LIFE, SCREAMING, SEPARATOR, TERALODON and VANGUARD**

**Congrats!**

However the fight is not over. On the contrary, **it is just beginning**. These brave 12 will now **have to compete for the votes of fans and jurors alike in the basic leg**, and if they are lucky, they will **advance to the grand finale**, wherein **the final battle for the overall victory in MetalGate Massacre vol.6** awaits them.

**The first basic round takes place Thursday, November 21, 2016 in the Prague club Modrá Vopice and shall witness the battle between AGASSIZ, DENOI, VANGUARD and SEPARATOR! We begin at 20:00; doors at 19:00. Entrance is free as is usual on MGM.**

**Come to support your favorites! See you there!**
