

MetalGate Massacre vol.6: the battle begins!

On Thursday, January 21, 2016, began the **sixth installment of bands**, not only metal, but this time also core and crossover ones, **contest MetalGate Massacre** with its **first basic round** that took place in the Prague based club **Modrá Vopice**. In the opening match, the metal bands **Vanguard** from Brno, **Agassiz** from Jablůnkov and **Separator** from Hodonín **clashed for victory**. The band Denoi from Brno that was also supposed to compete could not ultimately take part, due to the injury of their drummer.

Though attendance on the first round was small, all the bands played with vigor and drive, which the fans equally appreciated.

The outcome was decided **not only by the spectators, but also by the expert committee** composed of **Růžena Šmejkalová** (representative of the Artillery creative division), **Serpenth** (bass guitarist of Belphegor), **Chymus** (frontman of Antigod), **Frodys** (frontman of Postcards from Arkham and Awrızis) and **Michal Samiec** (sound engineer, bass guitarist and editor of the Muzikus magazine).

And the result itself? With a total number of **17 votes**, **Agassiz** took the **first place**. The **second place** was gained by **Vanguard** with **14 votes** total, and the final **third place** by **Separator** with **13 votes** total.

Agassiz therefore advanced into the Grand Finale!

Now the **second basic round** approaches and it will take place **February 4, 2016**, again in **Modrá Vopice club**, with the bands **SCREAMING, ONLY FOR LIFE, NOTION DEEP** and **MELTDOWN** about to compete.

We begin at 20:00. Doors at 19:00. Free entrance as usual!
