

### **MetalGate Massacre vol.6: Round Two completed!**

**On Thursday, February 4, 2016**, the **sixth installment** of bands contest **MetalGate Massacre continued** in the Prague-based club **Modrá Vopice**, bringing the clash between the bands **Screaming** from Sebranice, **Notion Deep** from Prostějov and **MeltDown** from Prague. The second round also ultimately featured only three competing bands, for Only For Life cancelled their appearance about an hour before the kick-off.

The second round also had a rather low attendance, which however did not discourage the competing bands from giving it their best.

The result was decided again through **voting of the fans present**, as well as of the **expert committee** composed of **Růžena Šmejkalová** (representative of the Artillery creative division), **Petr Korál** (music journalist, Radio 1 and Radio Beat anchor), **Chymus** (frontman of Antigod), **Michal Samiec** (sound engineer, bass guitarist, editor of the Muzikus magazine) and **Luboš „LooMis“ Maule** (editor of the MarastMusic.com e-zine).

These together delivered the following verdict. With **27 votes total**, **MeltDown became the victor of the second round**. The **second place** was gained by **Notion Deep** with **14 votes total**. The **third place** then went to **Screaming** with **10 votes total**.

**MeltDown thus became the next finalist! Congrats!**

Ahead now is the conclusion of the basic leg, that is, the third basic round that shall take place on Thursday, February 18, 2016 again in Modrá Vopice club. This time competing are **TERALODON**, **DRUNK WITH PAIN**, **GUN ALCHEMY** and **LATEXJESUS**.
